For the best **networking**  
**opportunity** within the  
Private Equity market!

With this in mind, we aim at contributing to the ecosystem by joining the different players within the Private Equity value chain to foster growth and innovation. To complete this goal, we focus ourselves on three main pillars:

Our events distinguish themselves from our competitors by:

We, at **Private Equity Insights**, believe that Private Equity is one of the main **growth drivers** in the world, as it not only creates hundreds of jobs through its **investments**, but also improves and drives businesses to provide **better services** to its customers.

## CONNECT | Conferences

We gather the main Private Equity players around the main trends through 10 insightful regional events (and more to come).

Gathering up to **300 top PE leaders** from our international network of investors, bringing foreign capital to our **focused regions**.

## SHARE | Media Center

We display relevant Private Equity trends, news and reports on our focus markets in order to give a clear overview of the different stages of Private Equity.

Showcasing only top **experts as panelists**. Our speakers are all carefully selected for their **knowledge** and activity on the **markets**.

## EDUCATE | PE Careers

We showcase the main job opportunities and promote Private Equity education within our network.

Bringing the whole **PE ecosystem** in the same room for one day. We join key **PE experts** from the fundraising stage to the exit, alongside with high growth potential companies, Growth Funds, Venture Capital, Limited Partners, Wealth Managers, Service Providers, PE Associations all gather to **network** and make their **business grow**.
